SIR,

Subject:- Proposal to postpone the date of District Board Election - Goribidnur - General Constituency.

*****

I have the honor to state that 6th April 1936 has been fixed as the date for holding District Board elections for the general constituencies of the District. The Amildar of Goribidnur taluk and the Sub Division Officer, Chikballapur have just brought to my notice that the jatra and Cattle show will take place at Viduraswatha in Goribidnur Taluk between the 6th and 13th April 1936 and that this jatra being the biggest one in the Taluk, a very large number of people from all parts including a majority of voters in the Taluk gather at the jatra with the result that there will be considerable inconvenience to the voters to attend the Polling Centres on the 6th April 1936 and that the date of election may be postponed to any date after the 13th April 1936.

2. In this office notification dated 13th January 1936 the place, date and hour of election and the latest date for the receipt of application for candidature have been published under Rule 15 of the District Board Elections. The applications for candidature received in accordance with Clause (2) Rule 15 were ceived and the list of approved candidates for all the constituencies including Goribidnur was finally published on 31st January 1936 under Rule 18 of the District Board Election Rules. If the date of election is now to be postponed, a fresh notification under Rule 15 is necessary. But the particulars of the notice include the publication of the latest date for receipt of applications

2

3. It is not clear whether the date of election once fixed could be altered and whether a notice announcing only the change of such date could be published, without reference to the particulars specified in the second clause under Rule 15 or whether such notice should contain particulars of the latest date for the receipt of applications for candidature also. I request that you will be so good as to obtain and communicate to me the instructions of Government in the matter.

4. I may also state that if the election has to be postponed it has to be fixed on some convenient date before the end of -- April 1936 as under Rule 14 an interval of one month is necessary between the date of election and the date of commencement (Viz: 1st June 1936) of the new term of the Board. Again, under Rule 15 a notice has to be published in the Mysore Gazette at least six weeks before the date of election. I therefore request that very early orders of Government may kindly be communicated to me as the interval available is very short.

I have the honor to be,
S i r,
Your most obedient servant,

Deputy Commissioner,
Kolar District.
